If you are a transplant, vascular or general surgeon, nephrologist, interventional radiologist/nephrologist, nurse, or allied health professional interested in the management of vascular access, become a member of VASA today!

Discover the Journal of Vascular Access Online

The Journal of Vascular Access (JVA) is your premier source for cutting-edge research, expert reviews, and comprehensive insights into the field of vascular access. Our online platform offers you unparalleled access to the latest advancements and clinical practices that shape the future of vascular access care. Access to the Journal provides:

- **Timely Research:** Stay ahead with access to the most recent studies and findings in vascular access. Our online platform ensures you receive the latest research as soon as it is published.
- **Expert Reviews:** Benefit from reviews by leading experts that provide thorough analysis and commentary on current trends and innovations in the field.
- **Comprehensive Archives:** Explore a vast archive of past issues and articles, providing you with a wealth of knowledge and a historical perspective on the evolution of vascular access.
- **User-Friendly Experience:** Our intuitive online interface allows for easy navigation, advanced search capabilities, and personalized content recommendations tailored to your interests.
- **Global Access:** Whether you're at home, in the clinic, or on the go, JVA's online platform ensures you can access vital information anytime, anywhere.

Access to the VASA Member Directory

The VASA Member Directory is an extensive database of professionals who are dedicated to advancing the field of vascular access. This directory includes detailed profiles of VASA members, enabling you to connect with colleagues, share knowledge, and build your professional network. As a valued member of the Vascular Access Society of the Americas (VASA), you have exclusive access to this invaluable resource to aid connecting with fellow professionals in the vascular access community, fostering collaboration, networking, and professional growth.

Discounted Registration Fees for the Annual VASA Meetings

VASA members enjoy discounted registration fees on both the Hemodialysis Symposium (even years) as well as the Hands-On Practicum on Hemodialysis Access (odd years) — where professionals from across the country come together to discuss the latest advancements and best practices in vascular access.

- **Cutting-Edge Research:** Delve into the forefront of vascular access by exploring the most recent research and clinical advancements. Gain valuable insights from leading experts who are shaping the future of the field, and stay informed about the latest innovations and practices that are driving progress in vascular access.
- **Educational Sessions:** Participate in a diverse range of engaging sessions, including interactive workshops, thought-provoking panel discussions, and hands-on training opportunities. Each session is carefully designed to enhance your skills, deepen your understanding, and broaden your knowledge, ensuring a comprehensive and enriching learning experience.
- **Networking Opportunities:** Take the opportunity to connect with a diverse group of peers, experienced mentors, and influential industry leaders. Forge meaningful relationships that can significantly enhance your professional development, open doors to new collaboration opportunities, and provide valuable insights and support as you advance in your career.
- **Exhibition Hall:** Discover the newest products, cutting-edge technologies, and innovative services from leading companies in the vascular access industry. Explore advancements and solutions that are shaping the future of the field.
- **Continuing Education Credits:** Earn valuable continuing education credits to maintain your professional certification and stay current with industry standards.

Exclusive Members-Only Access to Conference Material Archives

As a valued member of our professional community, you are entitled to exclusive access to a comprehensive archive of materials from our previous conferences. This valuable resource includes videos, slide presentations, and other key content designed to enhance your knowledge and professional development. Access previous Practicum & Symposium materials like:

- **Recorded Videos:** Watch recordings of keynote speeches, panel discussions, and breakout sessions. Gain insights from industry leaders and experts who have presented at our conferences.
- **Slide Presentations:** Access slide decks from various presentations, providing detailed visual aids and key points from each session.
- **Workshop Materials:** Download handouts, worksheets, and other resources from hands-on workshops and training sessions.

- **Abstracts and Papers:** Read through submitted abstracts and full papers that were presented, offering a deeper understanding of the latest research and findings in the field.
- **Supplementary Resources:** Explore additional materials such as posters, infographics, and supplementary reading lists provided by speakers.
